Opening

1. What is one of the most enjoyable teams you have ever been a part of? What made it so enjoyable?

Discussion

"After this the Lord appointed seventy-two others and sent them two by two ahead of him to every town and place where he was about to go... ..Heal the sick who are there and tell them, 'The kingdom of God is near you.'" Luke 10:1,9.

2. Regarding the above verse, why did Jesus send them? What things did their involvement achieve that would not have happened otherwise?
3. Regarding the general idea of having an evangelism team in a local church, what benefits can you think of for having such a group?
4. What sort of things could a group like this (a) do in outreach and (b) do together when they meet to help efforts be enjoyed and sustained? (Make a list – noting the points given in the video-tutorial).

Application

5. Would you be keen on being part of a group like this? If so,
 - (a) who is going to talk with your pastor to her his/her thoughts on this?
 - (b) If a group were to start, how often would you like to meet as a group, and how often would you like to outreach together?

Spend some time praying together for God's help, that you would be effective as witnesses for Him, and in helping others become so as well.
