

The vision of the Global Outreach Day is to mobilise Christians in over 200 nations to bring the Gospel to everyone, everywhere – whether on the streets, to the neighbours...

This can't be achieved by a single person or by a single organisation, but only through the whole global Body of Christ.

Who? Every believer | Every church | Every ministry | And YOU

How? Using the most effective way – according to your gifts, your region and your opportunities – to reach people with the Gospel.

As preparation, we encourage pastors and leaders to pray and to train their church how to share the Gospel. On our website, you find helpful training material. On May 27th, you can offer different outreaches and also work together with other churches. On Sunday May 28th, you could give every church member after service one (or more) Gospel tract as a help to reach at least one person. After the G.O.D., keep on doing outreaches together every week or month.

Be a part of this worldwide evangelistic outreach!

GLOBAL OUTREACH DAY

It's my mission!

At the Global Outreach Day millions of Christians worldwide get involved and share the Gospel with countless numbers of people. **20 million Christians in 135 countries participated in 2015. More than 100 million tracts have been distributed and many hundreds of thousands made a decision to follow Christ. Many churches and organisations worked together to make this day a great success.**

The numbers are derived from reports from our partners around the world.

One of the 2 million people saved in 2015 through Global Outreach Day.

Sharing the Gospel with friends at home.

The whole church is going — to a lost world!

Every mission organisation and church can participate in mobilising millions of Christians to go out and reach the masses with the Gospel.

It's your harvest!

The purpose of the Global Outreach Day (G.O.D.) is that every Christian becomes a witness and reaches others with the Gospel, integrating new believers into the church.

In Cameroon 2,000 churches worked in unity together and gave out 2 million tracts. In Nigeria 35,000 were trained and went out to testify about Jesus.

It's easy!

Every Christian can be part of it. We all are called to testify and have something to give. And everyone can share about God in his own way. It just needs a willingness to go.

It's an important beginning!

About 93% of church members do not share the Gospel regularly. The Global Outreach Day could be the beginning of an evangelistic lifestyle for many believers; to share about Jesus every day, week or month.

Develop your ideas

You probably already have an idea of how to share the Gospel on this day. Here are some practical suggestions, what you could do:

- **One on One** – Invite someone over for a cup of coffee and engage a conversation about faith.
- **In small groups** – Meet in your church

and split up into small teams. Then go to reach the people where they are – on the streets, in the market places, parks, etc.

- **Care and share** – Do something good for the needy in hospitals, prisons, nursing homes, children's homes etc. and share the Good News with them.
- **Reach your area** – Visit home to home. Share on public transportation. Work in unity with other churches.
- **More ideas** – concerts, open-air meetings, use flash mob, banners, share tracts, post on Facebook about Jesus, etc.

IMPORTANT DATES
