## Would you like the name of Jesus to be known at Easter?

**Your support is requested to enable a unique gospel voice**

Jesus' name is hardly heard at Easter anymore. In response it is proposed that the Hope Project be run every Easter.

As demonstrated in 2014 to 2016, this multi-media gospel effort includes detailed TV and web strategies, as well as quality booklets that get to 85% of NZ homes. (View the proposed 2018 booklet at [AllTogether.co.nz/hopeproject](http://AllTogether.co.nz/hopeproject)).

To happen, the equivalent of 1000 individuals or churches giving \$600pa each (\$12pw) are needed (this amount would cover 1428 Kiwi homes annually), or our 600 partnering churches giving/raising \$1000pa.
