

GLOBAL OUTREACH MONTH

„The harvest is plentiful but the workers are few“
Mth 9,37

93% of church members nearly never share the Gospel with others. This can be changed. The Global Outreach Month is a catalyst to mobilize the church for evangelism.

This month of action is a first step to a life-style of evangelism.

PRAY / CARE / SHARE

May 2020 will start with prayer involving every church, believer and prayer movements, followed by sharing the Gospel in words and deeds. Personal evangelism is the main emphasis accompanied by large evangelistic celebrations on every continent. The Global Outreach Day at Saturday, 30th May will be the big final day. Join this massive move of prayer and evangelism.

It's my mission!

MAY 2020 ONE WORLD | ONE MONTH | ONE MESSAGE

**IF WE ALL STAND TOGETHER, WE CAN REACH
ONE BILLION**

In the month of May 2020, our goal is for 100 million Christians to share the Gospel. We believe that in unity with many denominations and ministries it will be possible to reach **ONE BILLION** people with the Gospel. In May 2020, TBN and others will broadcast kick-off events on every continent to mobilize and train the church.

GOD is moving today in amazing ways. So, if the body of Christ will trust God and work together in unity, I do not find it hard to believe that one billion people could be exposed to the gospel in just one month in 2020."
