

shiningLIGHTS TRUST VISIONTOUR

Invercargill Regional Pastors' meeting Long-term youth leaders welcomed at your invitation only

Time: Thursday June 20th 7 pm

Host: Invercargill Baptist Church

"The Church is no longer in the majority. How could we become an effectively activated minority?"

Presentation and discussion on areas of possible common focus amongst NZ churches nationally:

1. Intentionality in mobilising members as the first strategy as a first strategy
2. Our ability together to engage public conversations, to affect public perspectives (Hope Project an example)
3. Youth — what could be achieved nationally together that might not be achieved otherwise (Godtalk.nz)
4. Children — what could be achieved nationally together that might not be achieved otherwise
5. The function and functionality of city pastors' groups in this picture

One Million Children:

**Encouraging Christian children's work and workers
7pm Thursday 20th June at Invercargill Central Baptist**

This inspirational evening will encourage and motivate. Ideal for children's workers and potential workers from throughout your region, and a must for church leaders. Might you grow your church by growing your children's ministry?
