

- Volunteer-based delivery fact sheet -

A strategic change

The Shining Lights Trust Board has felt to make a bold decision. The delivery of Hope Project booklets to homes in the largest 70 cities and towns will be volunteer-based from 2020 onwards.

Side benefits of this volunteer-based delivery to letter-boxes

- **Confidence in Individuals increased** ...as the do something for the gospel
- **Local church equipping increased** ...as a biproduct of having members more engaged
- **Church unity encouraged** ... as churches come together to achieve this in their area
- **Prayer increased** ... as those delivering concurrently prayer-walk the streets
- **More 'no-circulars' homes reached** ...as individuals become aware of the need, and opt to take booklets to people at the doors of these houses (or innovate to achieve the same by another means).

Process:

Step 1 – February – Encourage local churches to promote the need for volunteers

(and concurrently your local combined church prayer gathering / mobilisation meeting)

- We will provide power point, short video and sign-up form to help
- As a strategy, as pastor-friends to pass the form along the rows during the service (this approach will prompt more to help that will remember to sign up on a foyer after the service)

Step 2 – Sunday 8th March: a combined church prayer gathering / mobilisation meeting

- After prayer, those present can take maps and booklets
- We will supply simple instructions for you to give a necessary OSH/safety briefing.

Re booklet collection and storage:

- We - the SLT (Shining Lights Trust) team, will send booklets to the central city in each province only. Coordinators in nearby towns will need to travel to collect their booklets.
- We recommend booklets are stored at the host church for each city or towns prayer gathering / mobilisation meeting – so they don't need moving a second time.
- Boxes will have approx. 500 booklets per box, and can stack 4 high.

Step 3 – Delivery

- Volunteers have three to four weeks to prayer-walk the streets while delivering booklets prior to the Easter weekend.
- We expect two or three cities will need help completing deliveries. Our sign up forms will include a tick-column to volunteer to take 'mission trips' to help other places. We will mobilise this from Monday 9th March onwards – when the extent of shortfalls is known.

'No-circulars' homes

- Booklets cannot go in the letterbox.
- Taking these booklets about hope to people at the doors of these houses is a voluntary extra.

Delivery coordinators meeting: 8pm Tuesday 11th February 2020
