

Will you help to connect more than 1.4 million Kiwis with Jesus at Easter and Christmas 2021?

Have you noticed how Jesus' name is hardly mentioned in public media at Easter or Christmas anymore?

Maintaining a visible presence is important because 'out of sight' equals 'out of mind'.

For this reason, the Hope Project is happening at Easter and Christmas in 2021. This will bring esteem to the name of Jesus, and if we work together is achievable.
