

NATIVITY CUTOUT

Sunday school craft, display
or special gift for children to make and share.

1. **PRINT** template on either paper or card. If you print on paper, we recommend you then **PASTE** it onto card.

2. **DECORATE** – Colour in, paint, add a bit of glitter to really make it sparkle.

3. Then **CUTOUT** all the parts. There should be a total of 12 separate parts. Make sure to cut along the red lines to create **SPLITS**.

4. **BEND** each triangle along the dotted line and attach to the back of each stand-alone figure with glue, so they will stand up.

5. **ASSEMBLE** the rest together.
