

# Connecting Kiwis with Jesus. Simple.

## HopeProject nz

The Christian faith offers unparalleled meaning and hope. Being visible in our cultural festivals of Christmas and Easter is important because 'out of sight' means 'out of mind'.

### 1. Equip everyone

What if we all gave one month to conversational outreach equipping through every pulpit, small group and youth group? [AllTogether.co.nz/pastors](http://AllTogether.co.nz/pastors)

### 2. Reach everyone

What if we participated willingly together again to deliver the Hope Project booklets city-wide, while donating to enable the effort? [AllTogether.co.nz/hopeproject](http://AllTogether.co.nz/hopeproject)

### 3. Pray

What if, with members already walking along every residential street, churches united for combined prayer and to walk the nation? Consider the 'Holy Here' app. See: [24-7prayer.nz](http://24-7prayer.nz)

### 4. Invite everyone

What if beyond Easter services we extended invitations to introductory faith courses like Long Story Short, and Alpha? [LongStoryShort.co](http://LongStoryShort.co) | [Alpha.org.nz](http://Alpha.org.nz)

### 5. Together

What if our unity – as also that of Christians within every workplace and school – were the DNA with which we did all this?
